In Person Wedding Fairs

What is included in the exhibitor fee?

- table, chairs and white table cloth (if required)
- complimentary lunch and refreshments during the day
- one Facebook post promoting your business on our wall and event page plus Instagram stories in the lead up to each event
- full spreadsheet database of contact details of all of the couples that attend and register for the event and consent for their details to be shared (supplied via email after the event)
- listing on our Supplier Directory on our website for 6 months
- listing of contact details and service description in our visitors guide, given to every couple that attends the event
- hardcopy & digital marketing materials for the event
- free electricity access (if requested on your booking form)

How much does it cost to exhibit?

Our costs are very competitive for the service that we provide and stands start from £95 +VAT. We like to keep our costs as low as we can, in order to help small businesses grow in this competitive industry. We feel that this cost represents very good value for the quality of wedding fair that we produce and the extensive marketing campaign that we operate for all events to ensure the best possible footfall at each fair.

Can we choose where our stand is?

We do not sell pre-allocated pitch locations as every event is different. We try our best to ensure that companies that offer similar services are not next to or opposite one another, and also, we need to accommodate companies that require electricity, so a lot of time and effort is put into creating a bespoke floor plan for each event.

On your booking form you can request where you would like your stand to be located, for example you may need to be in a corner or against a wall for your stand to look its best, then we take this all into consideration when creating the floor plan.

How many of each trade type will you have?

We usually have a maximum of 3 similar trade types at each event and at our smaller venues, we will have a maximum of 2. The only trade type we have slightly more of is photographers, which would be 3 maximum at smaller venues and 4 at large venues.

What are the opening hours of the fairs?

All of our fairs are open to the public from 10.30am and all fairs finish at 2:30pm.

When we receive our set up information?

Full set up information and a floor plan will be emailed to you in the week leading up to the event.

How do we book a space at your wedding fairs?

The best way to book is online via our website www.whiteskyevents.co.uk. Once your booking has been processed, we will send you an invoice for your space. We accept BACS payments or debit card payments over the phone. Please call us on 01622 583 308 if you would like to pay by card. Once we receive your online booking or booking form, plus your payment, you will be booked at your chosen event(s) & we will issue you a receipt as confirmation.

Can I reserve a space and pay later?

We are unable to reserve spaces and we book spaces on a first come, first serve basis to make it fair for everyone. We can accept a 50% deposit to secure your space at the time of booking, then the balance would be due no later than 6 weeks prior to the event.

We really hope that you are able to join us this year and if you have any further questions please do not hesitate to call us on **01622 583 308** or email us at **enquiries@whiteskyevents.co.uk**

Thank you for enquiring to exhibit with us at The Kent Wedding Fair.

Please could you ensure that you add our email address enquiries@whiteskyevents.co.uk to your address book, so that you receive all relevant emails and paperwork associated to your booking.

Virtual Wedding Fairs

In response to the Governments restrictions on indoor events we have created a new method of bringing customers to your business through social media. White Sky Events will now be hosting 'Virtual' live wedding fairs as an option for our exhibitors. While face to face interaction with the public at venues is a great way to gain new business, there are quite a few benefits available to those who wish to take part in our virtual events.

What are the advantages of virtual wedding fairs?

- **A far wider reach**

Regular wedding fairs draw couples from probably a 5 -10 mile radius. Virtual fairs have no geographical limit and potential customers from all across the county can watch your presentation, discuss their requirements and book your services from the comfort of their own home. Our exhibitors lives & videos are achieving on average 200-1,300 unique views each!

- **A much greater attendance**

We have 1700 Facebook followers, 4800 Instagram followers plus a database of over 2,500 engaged couples who will all be informed of our fair and your business. There is the potential for all of them, and more to be watching.

- **Rain or shine**

Virtual wedding fairs are not weather bound. Particularly good or bad weather can negatively affect attendance levels at actual venues. The weather is of no consequence at our virtual fairs.

- **Covid proof**

Couples shielding or unwell can still take part.

- **Live and face-to-face**

We understand the importance of retaining as much of the 'personal touch' as possible & by making the event interactive, we do what we can to ensure that the virtual event resembles as much as possible an in person event. This is especially useful for those of you who will be interacting regularly with couples leading up to the wedding and perhaps, actually be present on the day. Your personality is a key selling point in these instances.

- **No wasted time or conversations**

At regular fairs you can end up spending 10-20 minutes + talking to just one couple while many others walk by and leave the event. Only to find that the couple you spoke with don't hire your services, meaning all those other potential sales passed you by. At virtual fairs you do your sales pitch *once to everybody* watching, with the same one-to-one experience as a live event. This prevents time wasters and the idly curious from losing you income.

- **100 % targeted customers**

Because each exhibitor will be given a scheduled presentation time that will be available to the public, you know that everybody who is watching you is actively looking to buy your product or services. Florists will get couples *wanting* to book a florist, toastmasters will be interacting with couples seriously considering having a toastmaster at their wedding etc. Again, no wasted interactions with members of the public who feel obliged to feign interest in your business.

- **No reason for anybody to miss your presentation**

The event page and your video presentation will be left on social media for at least a week after the event. This is so that even couples who could not manage to see you on the day, have a whole week to view and respond to your presentation. You will be able to access your video and view any comments and booking requests left by the public.

How does it work?

At our virtual event, which will be held on our Facebook page, you will be given a slot of between 10-15 mins to address a live audience. You can either pre-record a presentation, go live the whole time, put up pictures, or a mixture of any of the above. The time that your slot will go live to the public will be pre-arranged with you and your presentation will be advertised on all of our social media so that couples looking for your services can go straight to you when you are there.

You will not see the public, but you will be able to see how many people are watching you. They will be able to type comments and questions which you will be able to read and respond to there and then. As I mentioned previously, couple can also view your video for a week afterwards and leave comments and purchase requests etc. So make sure you check every day.

Your videos will also be posted on IGTV via Instagram & we can email you a copy of the video after the event should you wish to have it.

What if I'm not very confident with social media or modern technology?

Please don't worry. The process itself is quite straight forward and we are happy to talk you through all the steps if there's anything you are not sure of. We offer all of our exhibitors a one to one Zoom consultation, so that we can get to know you, catch up with you if we have working with you before & go through all of the technological aspects of what is involved in a step by step way, so on the day, you can feel confident, relax and enjoy the event.

What if I'm not sure how to structure my presentation?

Again, we are aware that this type of sales method takes a slightly different approach to your general chit chat of a venue setting. To assist you in adapting your message, we have an Exhibitor Presentation Checklist of all the key points any company should be putting across and a suggested smooth flow through these topics. Also, hints on pre-empting question so you don't get taken unawares and help you project yourself confidently and professionally. We can also advise you during our one to one Zoom consultation.

What if something goes wrong on the day? Will you be available?

As with all of our in person events, we are always on hand throughout the events. We don't simply set up & leave you to it! We will be on hand in the lead up to the event if you have any last minute questions and we will be running the event online in the background all day, ensuring everything runs smoothly. We will also be instantly contactable via phone, Whatsapp & Facebook messenger throughout the day.

Is there any additional marketing opportunities available?

Included within your exhibitor fee, your contact details will be displayed on our Supplier Directory on our website for 6 months, plus your business will be promoted via Facebook (2 posts, one on our page & the other on our event page), plus your business will be promoted via our Instagram stories in the lead up to the event. We will tag you in so you will be notified when they are live.

Are virtual fairs more expensive than regular fairs?

Virtual fairs are more involved to arrange than regular fairs and we've needed to adapt ourselves to the requirements needed for such events, however in order to support the businesses we work with and to try and get them as much return on investment as possible, we haven't increased our prices.

To take part in one of our virtual fairs is still just £95 + VAT

Book you space online today via the Exhibitor Opportunities page of our website www.kentweddingfair.co.uk or please call us on 01622 583 308 if you have any questions.

Wedding Fair Exhibition Space Booking Terms and Conditions

1. DEFINITION

In these Terms and Conditions, the term 'Exhibitor' means any person, firm or company who has made an application for and who has been granted stand space at the exhibition. The term 'Exhibition' means the event detailed on the Booking Form. The term 'Organiser' means White Sky Events Ltd.

2. EXHIBITION STAND AVAILABILITY

It is thoroughly recommended that the Exhibitor contacts the Organiser's office prior to submitting any booking form or payment to ensure that there is availability for the event. White Sky Events Ltd operate a strict policy of capping trade types for each event (please see our Exhibitor Information Pack for further information), to ensure optimum return on investment for our Exhibitors. If payment is made without checking availability, the Organiser will try to accommodate the Exhibitor at another event, however this cannot be guaranteed. Should there not be a suitable event to transfer the Exhibitor to, then clause 5 of these Terms and Conditions will apply.

3. BOOKING OF EXHIBITION STANDS

Booking of exhibition stands can be made online via our website or by paper booking form. 50% deposit is required at the time of booking, with the balance due no later than 1 month prior to the event or 1 month prior to the first date of dates booked if making a block booking. Part payment will not be accepted. Payment plans may be available for block bookings, which is at the discretion of the Organisers. If a payment plan is not adhered to, your booking may be cancelled and Clause 5 of these Terms and Conditions will apply. The Organiser cannot reserve spaces without a deposit payment. Booking form plus deposit payment is required to secure all bookings. Payments can be made by debit card or BACS. We do not accept cheques or Paypal payments. If an online booking or paper booking form is submitted without payment, the Exhibitor will duly send an invoice to the Exhibitor. The Organiser

reserve the right to cancel a booking and give a refund if necessary. Submission of a booking form legally binds the Exhibitor to booking at the event and subsequent payments and cancellations terms, as detailed in clause 4 and 5 is applicable.

4. PAYMENTS AND INVOICES

Invoices must be paid in full and in the timeframe stipulated or as detailed on the invoice unless otherwise agreed with the Organiser. Receipts will be issued following balance payment of all invoices. If payments are not made by the Exhibitor in accordance with the timeframe stipulated, the Organiser may resell or reallocate the product booked but shall be under no obligation to reimburse or refund any payments already made. The Exhibitor also will remain fully liable for any amount outstanding on the booking. It is the Exhibitor's responsibility to make the Organisers aware if paperwork in regards to the booking has not been received. Non delivery of paperwork does not substantiate the cancellation of a booking following submission of a booking form.

5. CANCELLATION OF STAND SPACE

If the Exhibitor wishes to cancel the stand space booking after acceptance by the Organiser, they must give at least one month's written notice prior to the event. The Organiser will work with the Exhibitor to try and transfer the booking to another suitable event. This cannot be guaranteed and if no suitable events are available, the balance of the invoice will be cancelled, however deposits may not be refunded. If the Exhibitor gives less than one month's written notice, the full balance of the booking will be payable by the Exhibitor. If the Exhibitor fails to make payment under these circumstances, the invoice may be passed onto a 3rd party debt recovery agency. If the Exhibitor fails to meet any of the payment obligations detailed on the Booking Form and/or invoice, and/or these Terms and Conditions, or under any payment plan agreed, then the full balance of the invoice will be due within 7 days, and the above cancellations terms and

condition will apply to the booking. The Organiser reserves the right to cancel the booking if:

- The Exhibitor is in any breach of contract as stipulated in these Terms and Conditions
- The Exhibitor ceases or threatens to cease their business operations
- The Exhibitor is obstructive to the booking process or potentially damaging to the event
- The product or services stipulated in the booking form is not suitable for the event
- Any circumstances whatsoever beyond the reasonable control of the Organiser including but not limited to, through no fault of the Organiser, the cancellation of the event and force majeure

6. REFUNDS

Should an exhibitor not be able to attend an event, a transfer to an alternative suitable event may be offered, but is not guaranteed. Deposits are non refundable but may be transferable. Refunds are not issued as standard, but may be issued by the Organiser on a case by case basis. Should none of these options be suitable or available in accordance with the Organiser's wishes, cancellations terms in Clause 5 will apply.

7. BANKRUPTCY OR LIQUIDATION

If an Exhibitor being an individual or business becomes bankrupt, is issued with a receiving order or makes a creditors arrangement, or in the case of a limited company goes into liquidation or has a receiver appointed, the contract with the Exhibitor shall be terminated and the cancellation terms detailed shall be applied.

8. PROHIBITION OF TRANSFER

The Exhibitor must not assign, share, sub-let nor grant licences in respect of the whole or any part of the stand space allocated to them without the prior permission of the Organiser. Exhibitors are not allowed to promote wedding fairs by any other venue or organisers or any other event that will create conflict of interest for the event that they are attending. Exhibitors are not allowed to promote any other wedding service by leaflets distribution, business card or recommendation or promote any other services that their business or associate may offer that is not within the trade type whereby their stand has been booked. Companies known to be promoting such businesses or services will be asked to desist and may be asked to leave the event without refund and may be prohibited from attending future events.

9. EVENT PROMOTION/PRESENTATION

The Organiser shall have sole discretion as to organising and promoting the Exhibition in such manner as considered appropriate and reserves the right to amend or vary the manner or methods of such organisation and promotion without explanation or liability. Any statements made by or on behalf of the Organiser as to attendance projections or methods or timing of promotional activities and constitute only general indications of the Organisers promotion and organising strategy, and shall not amount to any representation or warranty. The Organiser will distribute marketing materials to Exhibitors via email and social media and/or via post. Exhibitors are required to share these marketing materials via their websites, social media platforms and any other methods as requested by the Organiser.

10. ALLOCATION OF STAND SPACE

Upon receipt of the contractual Booking Form and payment from the Exhibitor, the Organiser will confirm the allocation of the exhibition space by the issuing of a receipt. The Organiser reserves the right to accept or refuse any application without assigning any reason. Stand space will be allocated by the Organisers wherever possible in accordance with the Exhibitor's preferences, however consideration will be given for the requirement of the product or service being exhibited.

11. RELOCATION OF STAND SPACE

Should it be necessary for the Organisers to revise the layout of the Exhibition floor plan for any reason, the Organiser reserves the right to transfer the Exhibitor to an alternative suitable stand space within the Exhibition without recourse to compensation, unless the stand space is reduced in size in which case the cost of the stand space shall be reduced accordingly and refunded to the exhibitor if applicable.

12. REDUCTION OF STAND SPACE

When an Exhibitor wishes to reduce the size of the stand space booking after acceptance by the Organiser, then written notice must be received sent at least one month prior to the event. The Organiser reserves the right to apply the cancellation policy detailed in Clause 5 should suitable notice not be given by the Exhibitor. The Organiser may resell or reallocate the stand space but shall be under no obligation to reimburse any part of the cancellation charge. The Organiser shall not be obliged to accept the Exhibitor's notice of reduction.

13. UNOCCUPIED SPACE

Should the Exhibitor fail to attend the event or the space booked is not occupied 30 minutes prior to the event being open to the public, the Organiser reserves the right to use the space as they see fit on the day. No refund, transfer or discount for any other event will be given.

14. SET UP AND BREAK DOWN

The Exhibitor must adhere to the set-up and break-down times stipulated in the exhibitor set up email. Stands must be fully dressed and ready for the public at least 15 minutes before opening time. If Exhibitors are running late or have issues on the morning of the event, it is their responsibility to contact the Organiser as soon as they are able. Exhibitors must adhere to the stand size that they have booked. On the day of the event, should the Organisers feel that you stand, marketing materials or additional items that you bring to the event exceed your pitch size, you may be asked to either remove items or pay for a suitable upgrade of space, if this is available on the day. Exhibitors may not encroach on another Exhibitor's exhibition space and must stick within the parameters of the

space that they have booked at all times. Additional space on the day cannot be guaranteed. Dismantling may not commence before the close of any event unless verbal confirmation is given by the Organiser at the time of the event, or by arrangement prior to the event. In the event that the Exhibitor fails to remove all their property, furniture and waste material from the event venue by the end of the contracted break-down time, these items will be removed and the Exhibitor will be solely liable for all costs incurred in such removal, storage and/or disposal. Neither the Organiser, the venue nor any of the show contractors will be liable for any damage to such property or any loss incurred by the Exhibitor in these circumstances.

15. STAND STAFF AND HELPERS

Children under the age of 16 are not allowed at any event unless prior permission has been granted by the Organiser. 18. PROMOTIONAL RESTRICTIONS

Exhibitors can only promote and display their own business product and service being that which is detailed on the booking form as 'Product/Service' provided. When offering more than one service it is imperative that all services are agreed with the Organiser and the appropriate agreement to promote such services is agreed in advance. This generally requires booking a larger space and is subject to availability within those categories, so long as there is availability at the event within that trade type.

Peripheral products or services can only be promoted within the express permission of the Organisers. Organisers reserve the right to remove items from display not included in the original booking form application.

19. ADVERTISING MATTER

The Exhibitor may distribute advertising and print materials from their own stand but must not distribute such materials in entrances or any other location that is not their designated stand. Distributing materials or approaching attendees of the event in entrance ways, around the event or in any other location apart from their designated stand is strictly prohibited.

this service, however is available at an additional cost of £35 per event.

22. STORAGE

The Exhibitor is responsible for all personal and business items throughout the course of the event and the Organiser is not responsible for any lost, damaged or stolen items. Additional storage areas are not provided so any items that do not fit inside the exhibition space must be removed and placed elsewhere (e.g. placed in Exhibitor's vehicle). Any property left at the venue will be disposed of.

23. ALCOHOLIC GOODS/FOOD SAMPLES

Exhibitors may not bring any alcoholic goods for own or public consumption into the venue without prior consent from the Organisers. Businesses that wish to distribute food samples must hold a valid Health and Hygiene certificate with documents available for inspection if required at each event and gain written permission from the Organiser prior to the event.
